THE NETAFIM UK CATALOGUE

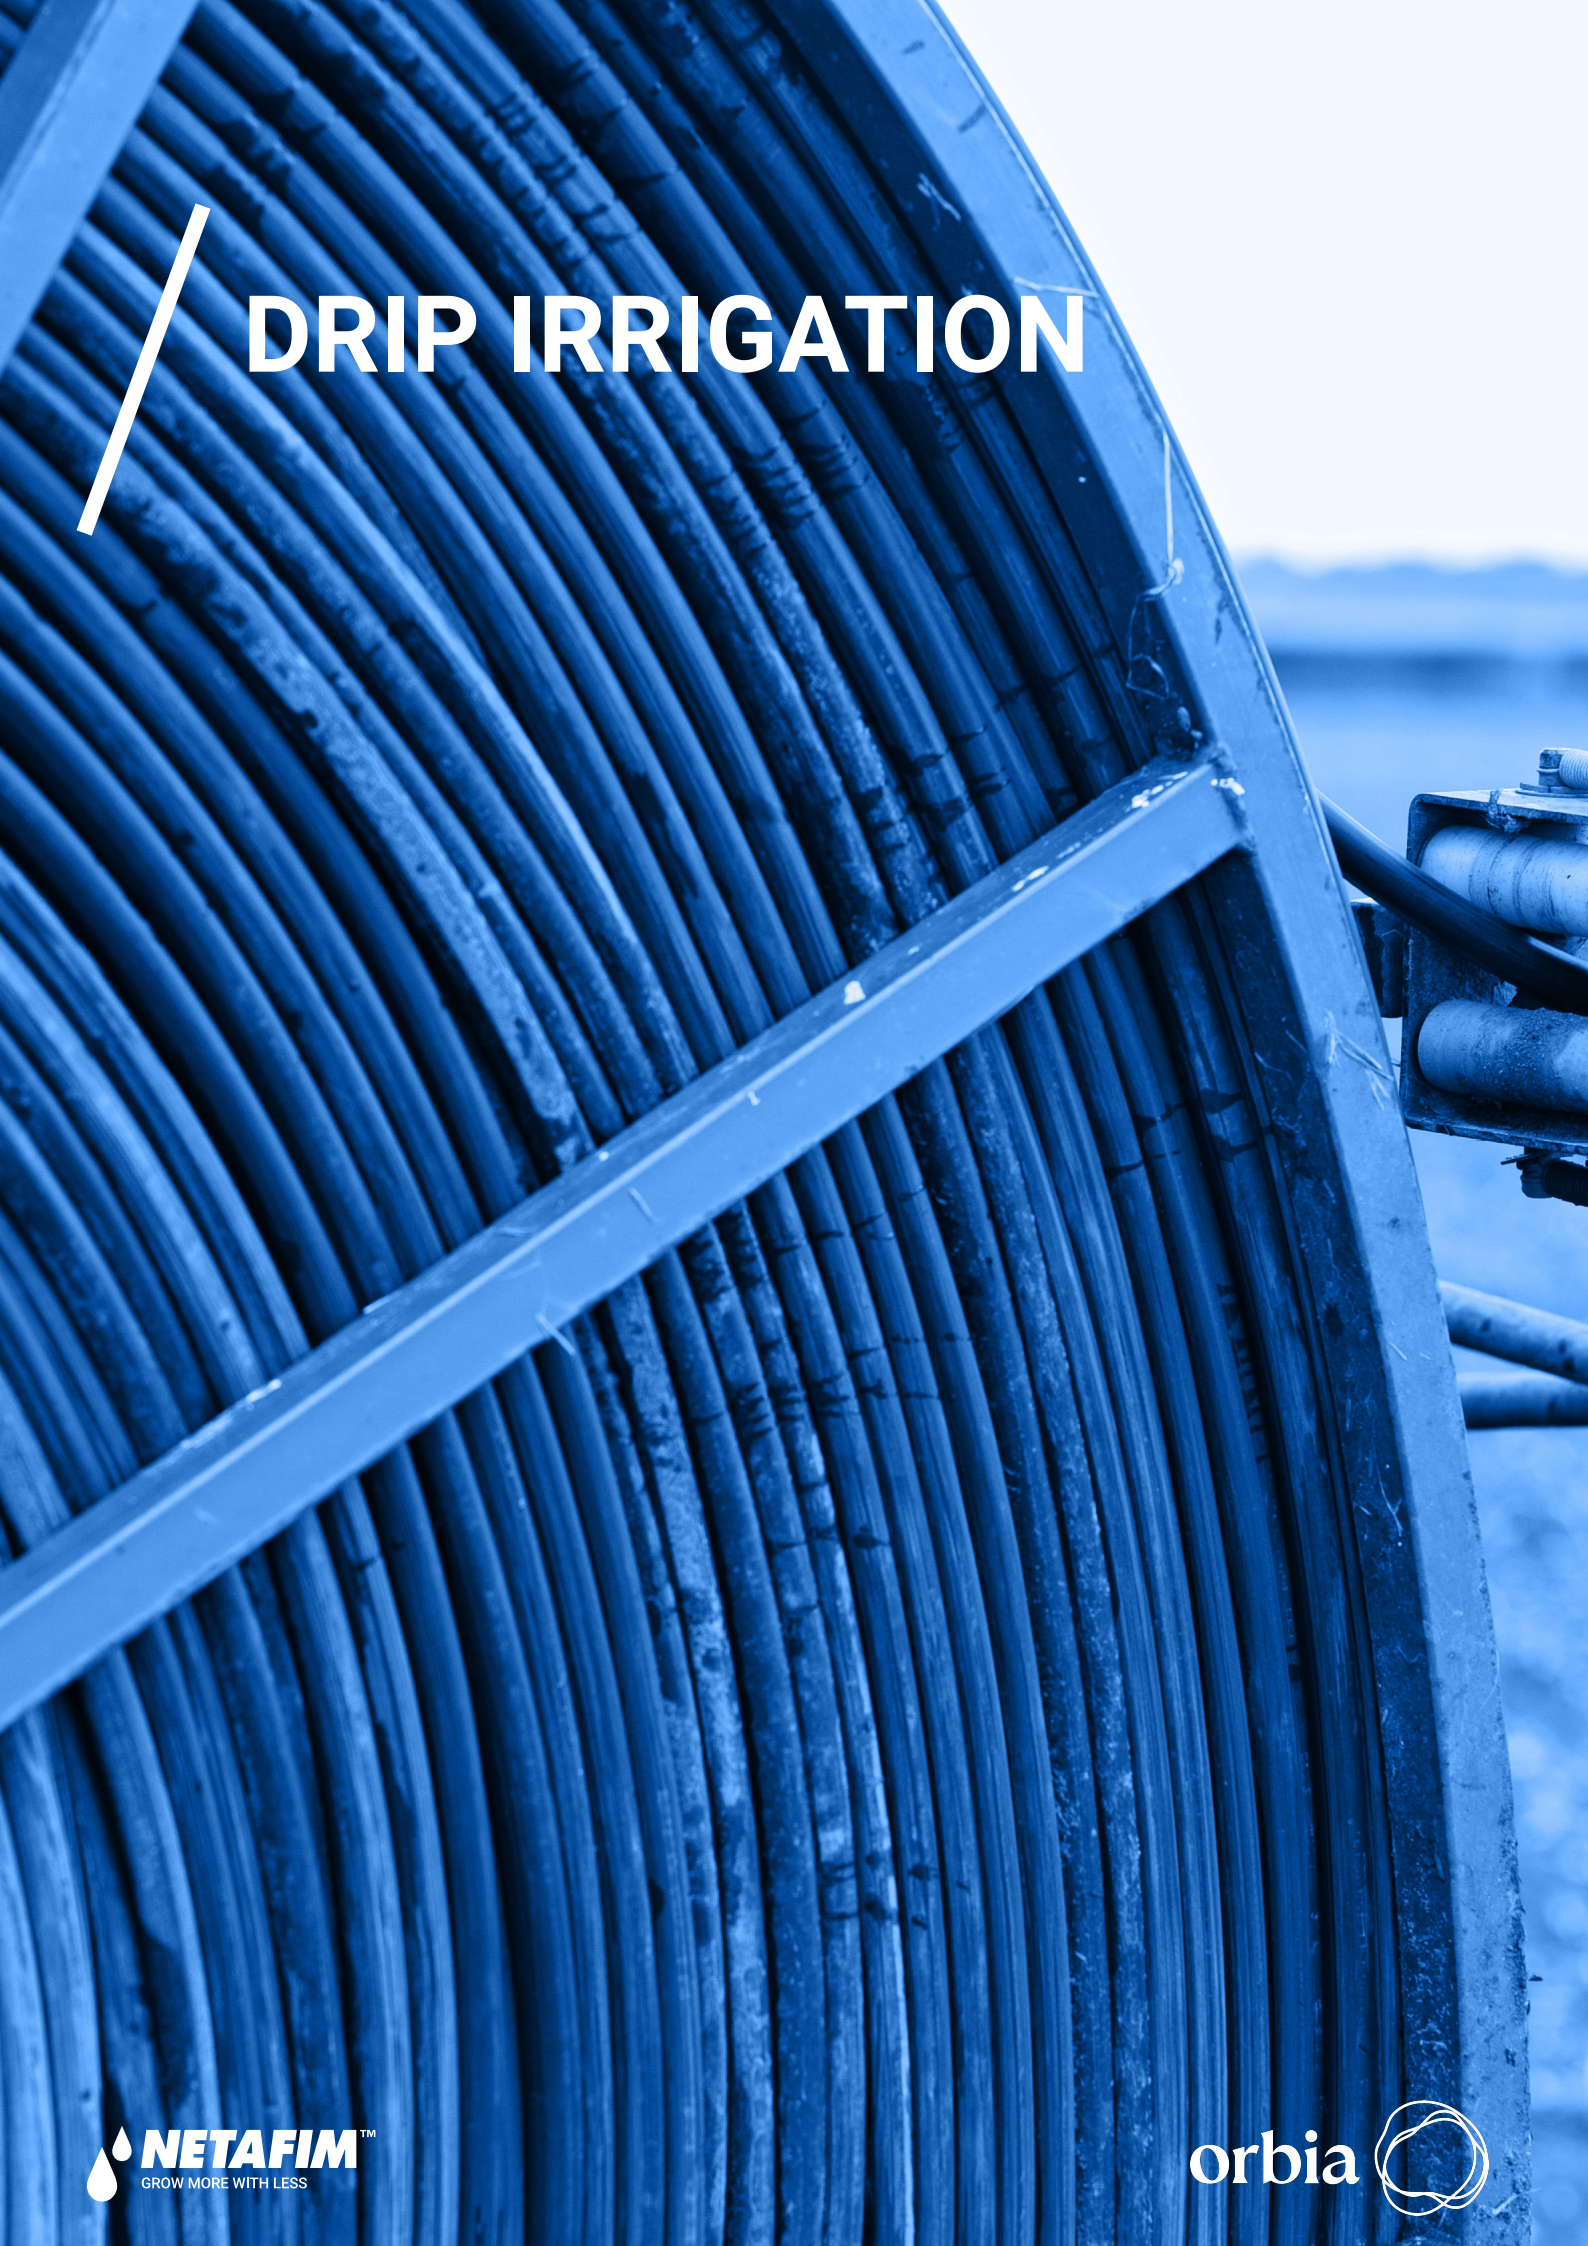

As the global leader in micro-irrigation, Netafim continues to provide the best products and solutions to enable farmers, growers, landscapers and turf managers to produce the best quality results. This catalogue includes the product ranges we offer from our own manufacturing facilities and those of our selected manufacturers all of whom are recognised as leaders in their sector.

The catalogue covers the following product ranges :-

- Drip irrigation
- Microsprinklers
- Manual valves and low voltage cable
- PE Pipe and Fittings
- PVC Pipe and Fittings
- Filters
- Sports and Landscape

- Other products such as Dorot solenoid valves, Netafim Digital Control systems, AquaMaster Fountains and Aerators plus other accessories are all also available and can be found in the current Netafim UK Price Lists.

Netafim UK Terms & Conditions Apply

PE PIPE & FITTINGS

Category 5 PE PIPE & FITTINGS

Welcome to Category 5, the PE section of the Netafim UK Catalogue.

The key products that can be found here include: -

Manufactured in our Netafim facility in The Netherlands

- LDPE and microtubes for use with drip systems including pre-assembled online dripper systems for protected crop applications
- ECO PE pipe that is manufactured using materials reprocesses from the production of PE100 pipe
- SportsPro PE100 pipe made to BS EN 12201, the highest quality standard for potable water supply system in the UK.

In addition to our own production, we use fittings from global specialist manufacturers: -

- Compression fittings for PE pipe from leading manufacturers including Supreme and Plasson
- Electrofusion fittings from Plasson
- Clamp saddles from Supreme, Plasson and Georg Fischer
- 16 Bar threaded PE fittings from Plasson and Tavlit including the Tavlit Self Seal range
- Tavlit Nutlock and Swivel fittings
- Tavlit barbed fittings and valves
